Grace

Designed to answer the demands of common areas, the Grace furniture family includes sofa, armchair and two tables. Featuring sleek design and thoughtful proportions, it graces every room. Available in a variety of finishes, the line provides a wide spectrum of arrangement possibilities.

That's why not only does the Grace sofa work well in a spacious lobby of skyscrapers but also in a tiny home office. Recalling club design, the Grace armchair offers comfortable seating solution for less official conditions. When combined together, sofas and tables create a lounge area infused with a touch of elegance.

Designer

Krystian Kowalski was born in Warsaw (1982) in an artistic family. He studied Product Design at Royal College of Art in London (MA 2010) and Faculty of Industrial Design at Akademia Sztuk Pięknych in Warsaw (MA 2007).

He gained professional experience when working for design studios in Warsaw, Łódź and in Milan. At Bellini studio he applied prototypes creating based methodology. Over the years 2009-2013 he co-created Kompott Studio, nominated for FX International Interior Design Award (2010) for Breakthrough Talent of the Year. Since 2013 he has been running design studio Krystian Kowalski Industrial Design.

He cooperates with leading furniture producers in the country and abroad. When designing he strives for smart solutions providing sophisticated and unobvious character of the product. His creative process is based on behaviour observations, in-depth analysis of trends and technologies choosing optimal solutions for the brand and production process. Krystian believes in a comprehensive action. He applies advanced computer technologies complemented by work with materials. Bold ideas are born in the studio with pattern shop and materialized in form of prototypes. His works were not only exhibited among others at Mint Gallery in London, MOCAK in Cracow and at Triennale in Milan, but also published in the most important branch magazines.

Grace

Combining a distinct seat lines and a minimalist frame style, Grace gains a sculptural character – appealing from all sides, it can be placed both in the lobby centre or against the wall.

Thanks to its design it blends perfectly into every space becoming a must-have for every leisure area.

Crafted not only for visual appeal, thoughtfully chosen seat materials ensure high using comfort. Made using molded foam technology allowing for absolute precision, the form of its seat features an ideal shape and unique softness. Upholstered with wool, fabric or eco-friendly leather, it fits perfectly its metal frame that harmonizes all units of the line.
