

A modern office interior featuring a grey soundproof office divider. The office has a clean, minimalist design with white walls, a concrete floor, and large windows. A person is visible working at a desk in the background. The divider is a sleek, grey partition that separates workstations. The text 'Kayra Soundproof Office Divider' is overlaid in white on the top half of the image. The 'EZO BORD' logo is also visible on the divider. The 'RADIUS OFFICE' logo is at the bottom left, and contact information is at the bottom right.

EZOBORD OFFICE MADE EASY

We're making EzoBord even easier with our quick select product guide featuring our most popular products and colors. These acoustical performance-based office products enhance the design environment of your hybrid office experience, support privacy focus spaces, or integrate separation into work modules. EzoBord has the right complement of solutions that combine aesthetics, acoustics, and design for the next generation of workspaces.

Shapes, Sizes, Colors, and Spaces

Featured are EzoBord, products offering a wide range of applications for your working office environment. From Kayra to Kulma Screens, Bench to Desk Screens, and Work Zone Dividers to our standalone Pyramid and unique Hoody solutions. EzoBord provides both style and functionality to meet your changing office needs. Multiple colors are offered to match the décor of any workspace including six popular colors that are available on all products. Configurable and easy to assemble, choose the shapes, patterns, colors, and sizes that make your space work better.

Easy

Know what you need? EzoBord has provided an easy-to-use program of high design products that complement any workspace. Please contact us to find out more and how we can assist you with any project customization. You can refer to our regional locations listed on the back cover or simply go to EzoBord.com.
